

Quick Start Guide

Last Updated: 28/05/16

This is a Quick Start Guide to starting life at St John's and in Oxford. It isn't meant to be comprehensive but should answer some of the basic questions that you will have about what to do before you arrive and when you arrive. A comprehensive Freshers' Guide is available on the SJC MCR website (details below) and there will be printed copies in the MCR for you to read.

When You Arrive

When to Arrive

You can arrive at any point once your accommodation is available. As a general rule, you should arrive well before your department says you should be in Oxford, and before Freshers' Week (also known as 0th week), which starts on Sunday 2nd October.

How to Arrive

When you arrive, you should head straight to the Porters' Lodge on St Giles'. For information on how to get there, have a look at the maps included at the end of this Quick Start Guide.

- By car. There are no college-owned car parks for people moving in. There are two options for parking, both of which are explained below and shown on the Parking Map.
 - Obtain a parking permit. When you arrive, the Porters can give you a 40 minute parking permit to park on the double yellow lines on the east side of St Giles. You must collect it from the Porters' Lodge, fill it in, and then display it clearly in your car.
 - There is a public car park actually on St Giles next to College run by the local council. You can park here for up to 2 hours at a charge between 08:00 and 18:30 on Mondays to Saturdays and between 10:00 and 18:30 on Sundays. Charges are £1 for up to 30 minutes, £2.50 for up to an hour, £4 for up to 2 hours with no return within an hour. Between 18:30 and 22:00 on all days you can park for as long as you want at a fixed charge of £2.50. A valid ticket extending beyond 18:30 allows parking until 22:00 with no further charge.
- By train. The nearest train station is Oxford Railway Station, which is 15 minutes' walk from the Porters' Lodge. There are regular connections from London Paddington. To get from the train station to St John's, consult the Train and Coach Connections Map.
- By coach. The nearest coach station is Oxford Coach Station, also called Gloucester Green, which is 10 minutes' walk from the Porters' Lodge. To get from the coach station to St John's, consult the Train and Coach Connections Map.

Getting into your Room

You can get the keys to your room from the Porters' Lodge. They will give you three keys:

- A key to your room.
- A Late Gate key that allows you to access specific college facilities.
- A blue Salto fob to access the pidge room, the MCR building, and let you into the college at night.

The Porters will give you directions to your room.

Moving Things to your Room

If you are unloading your belongings into a room on the college site, then you can borrow one of several very large wheelbarrows, which are located in Thomas White Quad. Please return them here straight after you have used them.

Your Bod Card

Your Bodleian Card (Bod Card) is your university card. You will use it to access university facilities (departments and libraries), as a debit card for food and drink at the Hall, Bar or Kendrew Cafe and as a form of identification. You can collect your card from the College Office (North Quad, staircase 7, room 12) between 0900-1300 and 1400-1600, Monday to Friday. You can put money on your card in the Hall, Bar or Kendrew Cafe during opening hours using cash or cheque.

Computing

There is a college internet network and several college computer rooms. To join the college network, connect your device with an ethernet cable to an ethernet socket in your room and follow the instructions. For wireless access, you can use the eduroam network. Details for setting up your credentials are available on the IT welcome site.
